Housing Preservation and Development  
100 Gold Street  
New York, NY 10038

Dear Mr. Marcus,

Please be advised that we, the Celestial Church of Christ, located at 173 Buffalo Ave, Brooklyn NY, understands and agrees that use of any lot owned by the New York City Department of Housing, Preservation and Development (HPD), for the purposes of creating a community garden, would be bound by restrictions imposed by HPD. We understand that these restrictions could include the right of HPD to re-acquire the space, and that there could be additional restrictions governing the use of such space.

We wish all interested parties to know that these conditions are acceptable to us, and that we still wish to create a community garden and other community activities at Brooklyn Block 1363, Lot 7.

We sincerely thank you for your help and support as we work towards the successful creation of a community garden.

Sincerely,

Pastor Timothy Olatokun
