Re: Block 1538 Lot 43

Dear Mr. Hinton,

I would like to commend you and your organization for taking the initiative to convert a vacant into a community garden that will grow fresh food, herbs, and spices for our local community.

My office stands committed to seeing this project be a success. I am supportive of your application to sponsor a green thumb garden on the City-owned vacant lot.

Respectfully Yours,

A handwritten signature in black ink, appearing to read 'L. Walker'.
