Re: Brooklyn Block 3857, Lots 24, 25,  
26 and 27 ("Encroachment Lots")

Dear Mr. Dunn and Mrs. Thompson-Duchene:

On June 24, 2016, the Department of Housing Preservation and Development sent you a letter concerning the above-referenced Encroachment Lots ("HPD Letter").

You have requested additional time to end the encroachment as directed in the HPD Letter. In response to your request, the Department of Housing Preservation and Development is granting an extension to December 30, 2016, by which date all plants and materials are to be removed from the Encroachment Lots.

Thank you very much for your cooperation.

Sincerely,

Arielle Goldberg  
Director of Land Use and Policy
