Re: Brooklyn Block 3857, Lot 1
("Green Valley Garden")

Dear Mr. Dunn and Mrs. Thompson-Duchene:

GreenThumb Program records identify you as the Gardener of Record for the Green Valley Garden, which has a license agreement and a GreenThumb registration with the City of New York to garden on Brooklyn Block 3857, Lot 1. It has come to our attention that the Green Valley Garden has encroached upon and is currently occupying adjacent City-owned property on Brooklyn Block 3857, Lots 24, 25, 26, and 27 ("Encroachment Lots"). Green Valley Garden has never been authorized to enter or use the Encroachment Lots in any way.

Please remove any plants or materials that you wish to save from the Encroachment Lots not later than October 31, 2016.

Thank you very much for your cooperation.

Sincerely,

Arielle Goldberg
Director of Land Use and Policy
