Green Thumb
New York City Parks Department

To Whom It May Concern,

I'm writing to express support for the creation of a new community garden at 358 Malcolm X Blvd. Brooklyn, NY.

S.P.A.C.E. is a organization that believes creating the ‘Poetry SPACE Garden’ and making it available for health, affordable food, and performance art is vital to the growing Bedford Stuyvesant area. Please feel free to contact me for further support via phone or email.

Sincerely,
