Re: Block 1538, Lots 43
Borough of Brooklyn

Dear Mr. Hinton:

At its monthly public meeting held on December 20, 2016, Community Board #16 unanimously voted in support of your application to sponsor a green thumb garden on the above-subject City-owned vacant lot.

We commend you and your organization for taking the initiative to convert a vacant lot that has become an eyesore in the community into a beautiful community garden where you will grow herbs and spices for the consumption of local residents.

Very truly yours,

Viola D. Greene-Walker
District Manager
