

EAST 159th STREET at ST. ANN'S AVENUE, BRONX, NY

PETITION:

Restoration of Abandoned Lot located at East 159th Street between St. Ann's Avenue & Eagle Avenue, Bronx, NY 10456. Area: 0.15 acres (6542 square feet).

PROPOSAL:

To turn the Abandoned Lot into an active Community Garden filled with plants, fruits and vegetables to be created and cared for by neighborhood residents. In doing so, three important factors can happen; the Garden would:

- **Become a hands-on environmental learning tool for students, parishioners, neighbors;**
- **Increase revenue to local businesses;**
- **Enhance the beauty of the neighborhood.**

If you support the above idea and would like to be a part of the efforts, please fill out the Petition below. Thank You!
